RIVIERA HURRICANE RECOVERY BULLETIN #59

The Riviera Board of Directors thanks Bob Weddle, Pat Curran and John Behnke for their service to the Board during a very difficult year. We would also like to welcome Jack Conover and Terry Hilgenberg to the Board.

Elevators continue to be problematic; the Board is working with the elevator company to get these problems resolved asap.

Watch your email in the near future for surveys from the Board, from “Survey Monkey”. This is to reach out to owners to gather opinions on the future renovations of the Riviera.

Keep your eye on your email for invite to next Virtual Board meeting, Tuesday, 12-12-23, 11am EST.

Domestic water pump installation has begun.

Building painting continues, catwalks and exterior.

Beach berm stand has been deposited in piles, but not spread yet.

Landscaping bids are being secured. Goal is to give owners a good lead time for any special assessments.
