Professional Trash Chute Cleaning with Canitize USA using Industrial cleaning equipment of 1, 24" diameter chutes. A high pressure Clean with Sanitation & Deodorization Treatment using our Proprietary Bio Enzymatic Cleaning Solution, 'TRASH BLASTER.' www.trash-blaster.com Please set your fire alarms to TEST MODE on the day of our cleaning as our hot steam generated may cause alarm activation. We will NOT accept responsibility for Alarms left active. Great care is taken to cover electrical components in the near vicinity of the chute during our cleans including switching off compaction equipment at the electrical disconnect. Should any outage be caused due to poor wiring or exposed electrical outlets or wires then Canitize USA will not be held responsible. Your confirmation of this is accepted by signature at the bottom of this page. Rescheduling Cleans: Cleans are scheduled through or from our office and are confirmed via email. Cleans not confirmed or canceled prior to 48 hrs of original service date will be charged at full one time pricing.	1	1,125.00	1,125.00
